## **Confirmation**

This is to confirm that

**Rolf Oetiker**

has participated in the **86<sup>th</sup> AO Specialty Course—Osteotomy** in Davos (Switzerland), from December 1–4, 2007.

This course has been awarded CME credit for those participants attending from the countries listed below.

### **Australia and New Zealand**

This educational activity has been approved in the Royal Australasian College of Surgeons CPD Program. Fellows who participate can claim **1** point per hour (maximum 8 points) in Category 4: Maintenance of Clinical Knowledge and Skills towards 2007 CPD totals.

### **Canada**

To collect your CME credit points, please contact the Royal College of Physicians and Surgeons of Canada (RCPSC) of which you are a member and present your certificate of attendance.

### **Europe and USA**

The AO Specialty Course—Osteotomy is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), [www.uems.net](http://www.uems.net)

The AO Specialty Course—Osteotomy is designated for a maximum of **18** hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

EACCME credits are recognized by the American Medical Association towards the Physician's Recognition Award (PRA). To convert EACCME credit to AMA PRA category 1 credit, contact the AMA.

**AO Foundation**  
Education
